

PURPOSE:

Young Performers of Atlanta

recitals are sponsored by the Atlanta Music Club for the purpose of fostering and promoting musicianship of music students in the metropolitan Atlanta area. Well-prepared students who are recommended by a metropolitan Atlanta area music teacher may perform in these programs. Solo and ensemble music from all idioms is most welcome!

These performances are also an opportunity for students and guests to learn and practice the proper etiquette for attending concerts and recitals, showing respect for their colleagues by listening quietly and developing poise as young musicians.
